Dr. Pierce's Favorite Prescription,

Dr. Pierce's Favorite Prescription,

Is not a secret or patent medicine, against which the most intelligent people are quite naturally averse because of the uncertainty as to their harmless character, but is a medicine of known composition, a full list of all its ingredients being printed, in plain English, on every bottle wrapper. An examination of this list of ingredients will disclose the fact that it is non-alcoholic in its composition, chemically pure glycerine taking the place of the commonly used alcohol, in its make-up. The "Favorite Prescription" of Dr. Plerce is in fact the only medicine put up for the cure of woman's peculiar weaknesses and allments, sold through druggists, that does not contain alcohol and that too in large quantities. Furthermore, it is the only medicine for woman's special diseases, the ingredients of which have the unanimous endorsement of all the leading medical writers and teachers of all the several schools of practice, and that too as remedies for the allments for which "Favorite Prescription" is recommended.

A little book of some of these endorse-

which "Favorite Prescription" is recommended.

A little book of some of these endorsements will be sent to any address, postpaid, and absolutely free if you request same by postal card or letter, of Dr. R. V. Pierce, Buffalo, N. Y.

Don't forget that Dr. Pierce's Favorite Prescription, for woman's weaknesses and delicate aliments, is not a patent or secret medicine, being the "Favorite Prescription" of a regularly educated and graduated physician, engaged in the practice of his chosen specialty—that of discasses of women—that its ingredients are printed in plain English on every bottle-wrapper; that it is the only medicine especially designed for the oure of woman's discasses that contains no alcohol, and the only one that has a professional endorsement worth more than all the so-called "testimonials" ever published for other medicines. Send for these endorsements as above. They are free for the asking.

If you suffer from periodical, headache, backache, dizziness, pain or dragging down sensation low down in the abdomen, weak back, have disagreeable and weaking, catarrhal, pelvic drain, or are in distress from being long on your feet, then you may be sure of benefit from taking Dr. Pierce's Favorite Prescription.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic.

When It Is Free all andruff, It Grown Luxuriantly.

Eair preparations and uandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. The only way to cure dandruff is to kill the germ; and, so far, the only hair preparation that will positively only hair preparation that will positively destroy the germ is Newbro's Herpicide— absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It alians itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by Send 10c. in stamps for sample to The Herpicide Co., Detroit,

PRANKS OF LIGHTNING

Joseph Seelinger and his family, who make their summer home at the Ocean View cottage near Norfolk, had a miraculuous escape from death Tuesday sfternoon about 5:30 o'clock, when) hightning struck the bouse, penetrated every room in the building, encircled

both Mr. and Mrs. Seelinger and passed out without inflicting bodily injury upon any of the occupants. The cottage was considerably damaged. The freaks of the bolt are thus summarized by Mr. Seelinger. It tore out the upper front of the cottage, passed through every room in the building, accreded Mrs. Seelinger's body, burned clothing in her hand and on the bed beside her. It hurled Mr. Seelinger from a chair, set fire to bedding in the servant's room-bored its way through doors and walls and spared the Scelinger children down stairs; hurled planks and shingles out upon the bay and upon the roof of

another cottage: tore out electric light wires and shook up the building considerably. The heaviest electrical storm of the season, accompanied by a downpour of rain, passed over the Northern Neck Tuesday afternoon. Lightning struck the White Stone Baptist Church, the steeple being struck, weatherboarding torn off and the carpet around the pulpit torn away. Revival services were being held by Rev. G. Y., Bradley at the time, and the church was filled, but no one was seriously hurt. The barn of Mr. Thomas, at Otawa, was struck, and burn-ed. At New Zion Colored Baptist Church, while a meeting was in progress, the church was struck. No one

was hurt. A horse belonging to Blaten Gleeson, near Ware, was killed. Rev. Dr. G. W. Beale aud Rev. R. A. Thomas were conducting a revival at Menokin. A large tree near the church was struck. yard of O. W. Franklin, near Warsaw, the clothesline was struck and quantity of clothes were burned. P.

Lightning struck at three places in Winchester and the streets were flooded s a result of a terrific electrical and in storm Tuesday evening. The tower Winchester Inn, a big summer hotel, was struck, the roof was torn off the ouse of Isaac Patton, and the home of Mrs. Peter L. Kurtz was struck. Mrs. Kurtz and her son, Charles, were badly tunned by the bolt. A valuable mare belonging to T. A. Brown, a farmer, of Greenwood, that county, was struck by lightning and killed.

Arnst, near Hague, had two horses

The trial of Galbraith, Gooch, and Haecker, accused of complicity in the lynching of several men at Springfield, some months ago, after an assault committed by a negro, began yesterday in the Green County Circuit Court. Soon after the trial began J. L. Maxey, one of the regular panel of jutors, received word that his house, fifteen miles west of Springfield, had been struck by lightning, his two children killed, and the house distroyed. He was excused

from further service ARREST OF LYNCHERS.

Francis J. Cress, a well-known citizen of Salisbury, N. C., was arrested yesterday on a charge of leading the mob of lynchers at that place Monday night at the hands of which three negroes met death. Cress was taken before Judge Long, after which he was cemmitted to jail without bond.

Billy McConeyhead, alias Bully Boy, aged twenty-five years, of Salisbury, was las' night landed in jail, charged with participating in the lynching. McConey-head, it is said, is the man who climbed the tree and tied the rope by which the three men were hanged. He, Geo. Hall, and Cress have been indicted for murder in the first degree. Bail was denied in

The minimum sentence for the crime is twenty years in the penitentiary. All of the prisoners, however, will be tried

for their lives. In view of current threats to liberate Hail and the others arrested for lynch-ing, the Rowan Rifles were called out to assist the two companies now at Salisbury from Charlotte and Statesville in maintaining order at the jail. The city is now practically under martial law.

Judge Long recharged the grand jury yesterday, instructing them to make a thorough investigation of the lynching and sift it to the bottom. He said he proposed to have court remain in session all summer if necessary to effect the ar-rest and conviction of all who participated in the mob. This is a hard task, as there is a strong sentiment in favor of

the lynchers. Judge Long said : "The court is in formed that a kinsman of the murdered people pleaded with that band of cutthroats and murderers to let the law pro-

Cesd. Any man who aided and abetted in that lynching was guilty of murder in the first degree. Any man who gave encouragement by word or presence, or took any part in it, was guilty of murder in the first degree. The question now is simply whether the law shall be specified in that lynching was guilty of murder took any part in it, was guilty of murder in the first degree. The question now is simply whether the law shall be specified by the courter or by a moch and enforced by the courts or by a mob, and Rowan county shell to a man take a stand on that proposition. When wifted to the bottom, you will find, as I have said before, that no man of characters. said before, that no man of character and standing was in that mob. I am going to perform my duty as I see it, and have no fear. I said before I apprehended any trouble that the law of the land is stronger than any local mob. I do not take that back, notwithstanding the shots about my ears that night."

The women of the Salisbury section of the State are thoroughly aroused, and
